MEMORANDUM—CITY OF PASADENA

To: LAPD/LASO Intelligence Dtls.
From: Sgt. Gardner, Pasadena PD.

Date: 7/14/71
Re: CHIPS

Enclosed is latest info on Cooperative Highskool Independent Press Syndicate.
(They spell school with a "K" whenever they remember.)

CHIPS originated in Chicago, where it was known as the Chicago Independent High School Press Service, in March, 1969. The founder, John Schaller, moved to Houston, Texas in the summer of 1970. The first issue of CHIPS, FPS was published in September, 1970. FPS according to the publication officially stood for nothing but unofficially stood for "fuck public school". FPS #1 was entitled, SCREW YOUR SCHOOL, and listed a number of methods of disrupting school procedures, damaging school property, and various other injurious schemes.

On 12/11/70 CHIPS announced that they had moved to 3210 Grace St. N.W. Washington D.C. 338-6318. They also announced that they were to be funded and could lower their rates. (Stern Family Fund and Ford Foundation, not announced by CHIPS). They moved into the office of the Student Information Center which was a development of the U.S. Office of Education, Dept. of HEW. They were later ousted for anti-government activities but then received funding from Philip M. Stern, Family Fund. The CENTER FOR COMMUNITY CHANGE 1000 Wisconsin Ave. Wash. DC. was used as a conduit to get moneies to SIC as SIC had no tax exemption. Thus, CHIPS/FPS was able to obtain money funded to Center for Community Change, through Student Information Center.

The members, Highschool Underground Presses, numbered about 150 at that time. There has been a period of quiet, but in June, 1971 there is information to suggest a renewed effort by CHIPS to recruit members nation wide. Enclosed is a list of the members and subscribers.

Re:

Originally, the member in the Pasadena Area was called DOUBLETHINK at 3365 Grayburn, Pasa. (Chapman Woods County). This address belongs to Margery Cream, a liberal attorney. No issues of Doublethink have been seen and it is believed that the publication never got off the ground.

The new CHIPS list indicates the Pasadena area member is KNIGHTS BANANA and gives P.O. Box 1104 Pasa. This box belongs to Kenneth Charles Jackson 11830 Deana #4 El Monte. 579-0976. Dr. Lic. [redacted] Authorized to receive mail are: HEADLINES PRESS (this is another name listed for Knight's Banana), Jack Nelson, (UNK), & Clearlight, a publishing house for the Peace Action Council.

Jackson is reportedly active in PAC and other movements.

Information from your files concerning Jackson and other persons mentioned would be appreciated.

J. Gardner

Gary Campbell & Ken Jackson are active in Peace Action Council.
Red Son Tribe appears to be a San Gabriel Valley faction
headed by these individuals.

Reference Memorandum of SA CHARLES C. WILSON,
dated 11/2/71, in the Los Angeles Office.

Re Communication enclosed a list of approximately
one hundred High School Publications in the possession
of the Cooperative Highskool Independent Press Syndicate
(CHIPS).

Included among this list was the "Massapequa
Free Press" c/o PAUL DASHEFSKY, 21 Wenwood Drive,
Massapequa Park, New York

On 1/13/72 Lieutenant FRANK GODSMAN, ~~Fixxx~~ Seventh
Precinct, Nassau County Police Department, Seaford, New York,
advised that his command conducts security and criminal
investigations in Massapequa and Massapequa Park, New York.
He stated that the publication "Massapequa Free Press" has
never come to his attention. He advised further that Dr.
JOSEPH DASHEFSKY, a prominent and well known orthopedic
surgeon resides at 21 Wenwood Drive, Massapequa Park,
New York, and that in all probability PAUL DASHEFSKY is his
son. He stated he has never heard of PAUL DASHEFSKY and his
files contain no record of this individual.

GODSMAN advised he would alert his command for
any information concerning instant publication.

The current Nassau County telephone directory
lists CLAIRE DASHEFSKY at 21 Wenwood Drive, Massapequa, Park,
New York, telephone Number LI 1-5383.

On 1/17/72 a pretext telephone contact was made

of student editors of various high school and underground newspapers.

It was learned through this contact that PAUL DASHEFSKY is a 16 year old senior at Massapequa High School, Massapequa, New York and that he resides at instant address with his parents. His father is a practicing physician in the area.

DASHEFSKY advised that he is the editor of an independent newspaper known as the "Free Press", but that the paper is not publishing at the present time, although he has hopes of resuming publication sometime in the future. He cited apathy and circulation problems as well as finances as reasons for not publishing, but that he is interested in the publishing field and would like to become identified with a publication.

He stated that his political views are liberal and generally anti-establishment in that he blames the establishment for the present war in Vietnam, discrimination and other social ills which he and members of his generation would like to change. He stated he is opposed to violence and never has advocated violence in his publication. He feels that there may come a day when Americans will have to resort to violence, but that for the present he is content to attempt to change the system by legal means within the system.

He advised that he and his fellow students at Massapequa High School had published several editions of the "Free Press" in the community and around the High School. He stated the printing was done locally and not by regular printing press although he attempted to secure printing contracts from sources in New York City. He advised no attempt had been made to secure any mailing privileges and no post office box had been rented.

He related that material was mostly local and written by himself and several of his friends, but that they had taken excerpts from several underground newspapers to which he has access. He related that the issues distributed in the High School were favorably received by most students and several of the faculty and that the administration had made no real attempt to curb the distribution of the paper.

DASHEFSKY advised that he is working toward future editions of the paper and has made plans to improve the paper and secure additional assistance in publishing from students who are interested. He admitted that there is no prospect of securing any real financing and that the finances will have to come from himself and those students he interests in the paper.

He advised he is hoping to bring out an edition of the paper sometime during the winter, but could make no commitment.

On 1/24/72 [redacted]

[redacted] advised that he is not familiar with the "Massapequa Free Press" and that no attempt has been made to secure a box or mailing privileges for the publication at his post office.

On 2/7/72, Detective GEORGE DAVIS, Crime Prevention Bureau, Seventh Precinct, Nassau County PD, advised that he had confidentially ascertained that the publication "Massapequa Free Press" or "Free Press" is not being disseminated in the Massapequa or Massapequa Park area nor is it being distributed in the local High School. He ascertained that several editions had appeared in the Massapequa High School during the fall of 1971, but that no editions have been observed recently.

DAVIS advised he was unable to obtain a copy of the publication and ascertained that the local High School had none. He further ascertained that PAUL DASHEFSKY attends Massapequa High School and has been identified as the editor of the "Free Press". DASHEFSKY has been in no trouble at the high school, although he is known as a liberal and avid anti-War individual, who together with several of his intellectual friends at the high school have attempted to drum up anti-war sentiment, but have not caused any disruption or violence.

DAVIS advised that Dr. JOSEPH DASHEFSKY is very well known in Nassau County as one of the foremost orthopedic surgeons. He has a number of influential friends and contacts locally. He is not known as a political activist.

In view of the above no further investigation is being conducted regarding this matter, as the above reflects that the paper is not presently being published and its principal publisher is a 16 year old high school student.

In view of the prominence of Dr. JOSEPH DASHEFSKY locally, no contact was made at Massapequa High School, as no established source presently exists at this High School.
